Dear Bill:

Thank you for your letter about your reception of our FM station KTLS. Please consider this a verification of your receiving KTLS, Mellow 99 on February 14th, 1979.

I wish you well as you continue to scan the broadcast frequencies; in addition, I owe you an apology for not writing sooner. When I cleaned out my desk this morning your letter was in a stack of papers where it did not belong. So, here is an answer better late than never.

Good luck to you in your future endeavors.

Sincerely,

Darwin G. Fitzgerald C.E.

Dear Mr. Nittler:

Please consider this a letter of confirmation for your reception of Star 93.3 -- KTLS.

In your description of the details of the reception of July 31, 1995, the information you listed from commercials are certainly clients and copy information we have on the air.

I think it is wonderful you were able to pick us up from such a remote location, even if for just a short time.

Although I've not been to Mancos, I've spent several days in Durango. Colorado is a beautiful state, and I would love to visit again some time in the future.

Thank you for your response to receiving KTLS. We all wish you the best in your future endeavors.

Sincerely,
