Bill,

I am confirming your reception of 106.9 FM KCST Radio on the evening of June 16th, 2003. The details provided regarding programming heard were surprisingly precise.

We are pleased to hear that our signal from the central Oregon coast was heard as far away as southwest Colorado.

I've enclosed a little information on the station for your enjoyment and/or records.

Thank you for your letter.

Sincerely,

Jon Thompson
