3 July 1978

Mr. Bill Nittler  
603 W. 1st  
McCook, NE 69001

Dear Mr. Nittler

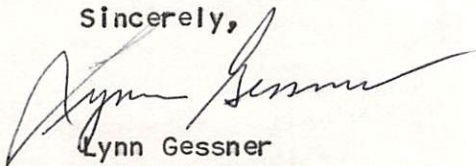

This is to confirm your reception report of 24 June 1978. From your copy of the programming I was able to determine that it definately was our FMsignal that you were receiving.

I am operating an RCA type BTF-5D, 5kw transmitter into a six bay antenna 360 feet above ground with an effective radiated power of 26kw.

We also operate a 5kw AM "day timer", KLAD, that you may look for sometime after the first of the year when we go fulltime.

Thank you for your intrest in broadcasting.

Sincerely,

Lynn Gessner  
Chief Engineer,  
Radio Station KJSN  
Box 690  
Klamath Falls, Or. 97601
