Dear Mr. Nittler -

Greetings from Klamath Falls, Oregon!

Yes, you did tune into our station. The "Blurb" that you picked up was part of a promotional spot for Pepsi - Part of the Billion dollar promotion. The antenna toppers are part of the local "Pepsi" promotion. Manco, CO is too far away for Randy to spot an antenna ball! I am enclosing a Sunny 107 sticker for you though!

Keep listening!

Sincerely

Carol Fick

P.S. - Sorry I don't have much time for typing - it's dark the "Traffic Desk" and I have already lost your letter once in a pile of paperwork.
