Dear Bill:

I am in receipt of your letter dated July 10, 1994 that relates your reception of our station KLRR FM. That's a first for me, to receive a letter from someone so far away on our FM station. I often get letters from people hearing our AM station KBND from all over the world.

By the way, I am very familiar with the the Southwest part of Colorado having traveled through there many times. I graduated from Adams St College in Alamosa in the mid 70's.

Hope this is what you need in the way of verification. Thanks for the letter. Best of Luck to you.

Sincerely,
