DEAR MR. NITTLER,

From your description, it sounds like you did in fact receive a signal from KMUN. You now hold the record for farthest reception.

You'll find enclosed a copy of our program guide.

As a HAM I'd like to ask on what type of equipment did you pick us up on and ~~how~~ what type of antenna?

Thanks for the letter.

Sincerely,
Emmy Roach (KB7RKU)
Development Director KMUN
