Dear Mr. Nittler,

We were surprised and happy to hear from you. Yes, that was most definitely our station you heard on July 6, 1993. We are a new FM station in this area, we went on the air in November, 1992, and are having very good response to our efforts.

We appreciate you taking the time to let us know of our "wide coverage".

If you are ever in this area, please come by and visit us. Manchester is in Middle Tennessee about 60 miles south of Nashville.

Sincerely,

Roger Dotson
Owner
