

WMOD 96.7 FM

22 June '93

Bill Nittler
Box 824
Manco, CO 81328

We're pleased to confirm your distant reception report of WMOD's signal on June 16th. Your broadcast description is accurate.

It must have been some freakish atmospheric phenomenon to allow reception of our 3,000 watt FM at such a distance.

Sincerely,

D. Haley Smith, GM
