Dear Mr. Nittler:

Thanks for your recent letter reporting the reception of KOIR-FM in Colorado at 6pm. on May 27, 1995.

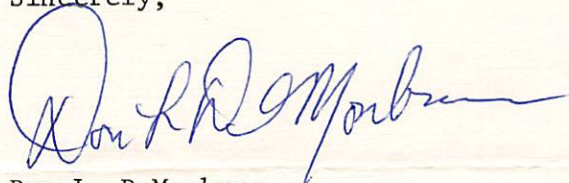

We are a 3000 ERP FM as well as a 5000 watt AM at 910 on the AM dial. I would not have been surprised to have a report on the AM, but the FM is something else. You must have been using quite a receiver and antenna system.

The program you heard is called Community in Action and is heard daily at this time.

I have enclosed a couple of items you may enjoy with our compliments.

Thanks for the report.

Sincerely,

Don L. DeMonbrun  
Director of Operations
