

Bill Nittler
Box 824
Mancos, Colorado 81328

Dear Bill,

In response to your letter regarding the reception of our radio signal, I am sending this written confirmation that you did indeed hear KRVL, FM 94.3, broadcasting from Kerrville, Texas. We are a 50,000 watt stereo FM with a Hot Country music format, and to this date, your reception of our signal in Colorado is the first such contact we have had that far away. Thank you for your letter, and keep your ears on.

Sincerely,

A handwritten signature in cursive script that reads 'Richard D. Griffin'.

Richard D. Griffin
