Hello Bill,

Glad you could pick us up in Colorado!!! Too bad we can't use that coverage area for our advertisers. KSTV 93.1 is a 7.9kw directional FM licensed to Dublin Texas. Our studios are actually in Stephenville Texas. We also have an AM station KSTV 1510. We just wanted to send you a letter verifying your reception of our signal. Hope this letter will help with your DX receiving logs. If there is anything else I can do for you, Just let me know... Thanks for listening, If you want to check out some pictures of the Staff and listen to the station on the internet, the address is : WWW.KSTVFM.COM

Thanks For The Letter
