Dear Mr. Nittler,

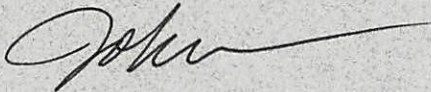

Just a note to let you know that you did indeed tune into **KSYM**, Your Only Alternative, on December 26, 1995. We broadcast jazz programming during the day, from 6 am to 3 pm.

It was quite a shock to find out that our signal carried that far, especially since we only broadcast at 3,000 watts!

Enclosed you will find a KSYM bumper sticker. Display it so that other listeners up there at Mesa Verde National Park will know where to find us on their dials!

Best Wishes for the New Year, and happy listening.

Sincerely,

John Onderdonk
General Manager, Faculty Advisor
