Dear Mr. Nittler:

Thank you for your interest in our radio station. We broadcast 24 hours a day, 50,000 watts, and generally can be heard within a hundred-mile radius. The items you mentioned in your letter as having heard on KTFA are certainly our programming, and it's exciting that you heard us at that distance.

Hope you can tune us in another time when you're in our area, or even when you're in another area!

Sincerely,

Ralph H. McBride  
General Manager
