Dear Bill:

Thank you for your letter regarding your reception of KKEE-FM. You did indeed tune in to our station on July 16, 1994. Our little station is located in the southwest corner of Washington state in a town called Long Beach which boasts the longest beach in the Pacific northwest. We broadcast 24 hours a day at 3000 watts.

Again, thank you for your interesting letter.

Best Regards,

A handwritten signature in blue ink that reads "Marleene Bechtel".
