

Hi Bill,

Thanks for the letter regarding your sporadic E monitor of the station. WHDG is located in Rhinelander, Wisconsin. We are 100,000 watts with studios in Rhinelander and our "Stick" in Summit Lake, Wisconsin about 25 miles or so. We transmit our signal via digital STL to our Xmtr. We have 2 other stations on the property... Hits100fm WRHN which is a Hot AC format and state of the art digital studios and WOBT am which is ESPN format. Thanks again for your letter confirming your 11:38am June 28<sup>th</sup> monitor of the station. As we Ham operators say... 73 and have a great summer.
