Dear Radio Friends:

I am very pleased to report reception of your radio station in Mancos. The following is what I was able to log on your signal:

Date: June 13, 2003      Time: 9:25 P.M. CDT      Frequency: 94.3 Mhz

Details heard

9:25 P.M. CDT "Great Country Q94 weather eye weather center, meteorologist Paul Sabitz". Returned to Brewers-Orioles game from Baltimore with Bob Uecker and Kent Summerfield which had been on a rain delay in the top of the 4<sup>th</sup>. Scores given and game to resume shortly.

Your signal was in very strong for a few minutes then faded completely. Several other stations from your area in on skip at the time.

Would appreciate it very much if you would send me a card or letter of verification on my reception of your station. I have enclosed a self addressed stamped envelope for your convenience in replying. Thank you very much for this favor.

Mancos is located in Southwest Colorado between Cortez and Durango in the Four Corners area, the Gateway to Mesa Verde National Park.

Will be looking forward to hearing from you soon. Good luck to you in your future broadcasting activities.

Sincerely,

Bill Nittler

Dear Bill:
