

June 12, 1995

Bill Nittler
Box 824
Mancos, CO 81238

Bill,

This note is to verify your reception of Y-108 on 6/8/95. We're a 100 thousand watt radio station with a signal that travels quite a distance, but this is the first report of reception in Colorado. It was a pleasure to receive your letter.

Sincerely,

Arnie Wheeler
Program Director
