Dear Listener,

Thank you very much for your reception report, which we hope is only the first of many from you. A verification card is on its way to you under separate cover.

In the margin and at the bottom of this letter we list the times and frequencies on which you can hear our daily broadcasts. Perhaps some of them will be of special interest to you and we shall welcome your comments and criticisms, as well as any suggestions you may have for improving them.

Also under separate cover we are mailing you several booklets and magazines on Czechoslovakia and hope you will find them interesting.

We are looking forward to hearing from you again, and in the meantime we wish you - Good Listening!

Sincerely yours,

Martha Trojanová
