Dear Mr. Nittler,

Thank you very much for your letter and reception report. We are happy to welcome you as a new listener to the North America program of Radio Berlin International. We hope that you will continue to listen to our broadcasts as often as your time permits.

Enclosed you will find one of our QSL cards and the program schedule listing the times and frequencies of all our transmissions to the United States and Canada. We have put your name on our mailing list to ensure that you will receive our program schedules regularly.

If you have any questions, particularly about the German Democratic Republic or the German problem, just drop us a few lines, and we will do our best to answer them by letter or over the air, in our regular Friday Mailbag program.

We hope to hear from you again soon, and remain,

Yours sincerely,

sf
