The background of the card is a stylized illustration. At the top, the words "RADIO" and "NEDERLAND" are written in yellow, spaced-out capital letters against a dark blue sky with small white stars. Below the text, a large red tulip with green leaves is the central focus. The tulip is positioned over a stylized map of the Netherlands, which is colored in shades of yellow and orange. The map is set against a background of horizontal blue and green stripes, suggesting a landscape or sky. Several white concentric circles are drawn around the tulip, resembling radio waves or signal paths. On the far left edge, there is a small vertical text credit: "J. VAN DEN BERG".
