Mr Maurice W Nittler
National Radio Club
Geneva
Nebraska

Dear Sir:

We wish to thank you very much for the report of the reception of our programs in Geneva on May 24.

It is very interesting to hear of such long distance transmission in the Very High Frequency band, although as you must realize, it is a freak of nature that this sometimes occurs.

If you ever happen to pick us up again, please let us know.

Sincerely yours,

J B Knight Jr
Engineer-in-Charge KNBH
