Mr. Maurice W. Nittler  
Box 103  
Geneva, Nebraska

Dear Mr. Nittler:

Thank you for your communication regarding your reception of KRON-TV. We are always pleased to hear from viewers in far-away places who receive our signal.

This happens occasionally during freak weather conditions. In the past few months we have heard from viewers across a wide swath of the midwest states, from Edmonton, Alberta to El Paso, Texas. During the same periods some of our regular northern California viewers reported receiving New Mexico and Texas stations.

We are grateful for your interest in KRON-TV and for your thoughtfulness in letting us hear from you.

Very truly yours,

J. L. Berryhill  
Chief Engineer
