Dear Mr. Nittler:

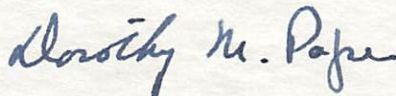

This will verify your letter reporting reception of WMBR-TV.

Since we last heard from you, our mail has dropped off some although the few letters that have come in were from the west. Iowa seems to be our favorite "camping grounds" as we receive more mail from that state than from any other. Canada is a close second and then Maine I think is about third.

Thanks again for the letter and glad to hear you liked the program schedule which was sent your way.

Best wishes and here's hoping you have many hours of good television entertainment.

Sincerely yours,

Dorothy M. Pape
