Mr. Maurice W. Nittler
Geneva, Nebraska

Dear Mr. Nittler:

We are please indeed to receive your letter of May 26th reporting reception of KBOI, Channel 2, in Geneva, Nebraska.

From your very detailed letter, there is absolutely no question in our mind that you were picking up our station. Perhaps you will be interested in knowing that during this week we have received at least one-half dozen similar reports from other mid-western locations in Montana, Minnisota, Missouri, Wisconsin, Oklahoma and Arkansas. This seems to be the season for "skip" reception.

If you have any further reports of receiving our program, we will be happy to hear from you.

Cordially,

Earl Glade, Jr.
