Mr. Maurice W. Nittler
Box 94
Geneva, Nebraska

Dear Mr. Nittler:

The Engineering Department wishes to take this opportunity to thank you for your reception report of WBKB, channel 7, Chicago which was dated August 28, 1954, from Geneva.

This will verify the information in your letter about the Polk Brothers "Feature Film" and commercials as being correct.

Please be advised that we consider this information very valuable and will keep it for future engineering studies.

Sincerely,

W.P. Kusack
