Dear Mr. Noittler:

Thank you for your letter telling us that you have picked up Channel 8 on August 13th. We have been receiving quite a number of letters this summer from people outside the state of Missouri, but I believe that yours is the one from the longest distance to date.

We hope that you will continue to receive us, and if there is anything we can do for you in the future, don't hesitate to let us know.

Sincerely yours,

James Aberle
