Dear Mr. Nittler:

Thank you very much for your letters of May 26 and June 28.

We are indeed interested to know that you have been receiving WFMY-TV's signal and we are sorry we had not replied to your first letter, however, we have received such a great many letters of this kind we have been unable to reply to all of them.

Again, your interest is sincerely appreciated.

Cordially yours,
