Dear Mr. Nittler:

This letter will confirm that WLW-D did broadcast the programs that you mentioned in your Report which we received this date.

WLW-D operates on Channel 2 from an antenna 510 feet above average terrain with a visual power of 100 kilowatts and an aural power of 50 kilowatts.

Thank you very much for your interesting report. We here at WLW-D are always interested in our distant viewers.

Sincerely,

R B Wehrman
