CHIEF ENGINEER

*July 21, 1955*

Dear Sir:

Please consider this letter a verification of your report on reception of our TV Station on 6-26-55 at 12:20 Pm CST. We have checked our log of that date and find your report quite accurate.

WTAR-TV began telecasting on April 2, 1950 and is now operating with video erp power of 100,000 watts and an aural erp power of 50,000 watts with an over-all antenna height of 1,049 feet above sea level. WTAR-TV is affiliated with the Columbia Broadcasting Company, but also carries some programs from the American Broadcasting Company and Du Mont networks.

We thank you for your letter and appreciate you taking the time out to write about receiving our programs in your area.

Yours very truly,

*Richard L. Lindell*  
*(per 3a)*
