Dear Sir:

Thank you very much for your letter of May 6, in which you told of your reception of KREM-TV, Channel 2. We had several letters from your area, all post marked the same day so apparently we covered quite an area, although this was a freak transmission.

We broadcast, as you can see from the letter-head, at 100,000 watts. Thanks again for all the information.

Hoping you will be picking us up again,

Yours truly,

Walt Schaar  
Production Manager
