Mr. John Sampson
362 Memorial Drive
Cambridge 39, Massachusetts

Dear Mr. Sampson:

After a check of our program log for Sunday, Sept. 20, 1959, we are pleased to verify your reception of our signals. Our power is 1 KW, directional at sunset, and our fm is 250 watts reflected power 800 watts 97.7 m.c. Enclosed is a rough sketch of our pattern.

Very truly yours,

Charles Nowell
