Dear John:

Thank you for your Q.S.L. of June 5th, 1968. It sounds like you are square in the middle of Q.R.M. that won't stop as far as 1340 KHZ is concerned.

You are positively correct in your logging.

Once again, thank you for the response. Lots of luck.

Sincerely,

*James E. Walley*  
James E. Walley,
