Dear Sir:

Please excuse lack of proper material for acknowledgement of your report of Sept. 3. Our letterhead copy has not reached our Xmitter as yet.

Thank you for your report. I have checked with Cherokee and it corresponds with the material he gave out at the time you listed.

We use a Bauer 707 Xmitter, Gates Solid Statesman Board, 175' Guyed vertical tower and are affiliated with the ABC net. Thanks again for your report and good listening.

Very truly yours,

Irv. Carlsen CE
