Dear Mr. Sampson

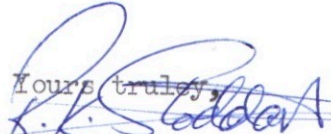

We are writing in reply to your letter informing us that you recieved our broadcast on December 17, 1967. All of the items listed are correct. You have our sign off announcement word-for-word.

We certainly appreciate your letter and information. Thanks! You probably know that we are a 1 KW, daylight only station. We feel that we have a good coverage in Idaho with our 1 KW.

I am going to enclose a copy of our current top 40 survey. Our station is a variety station featuring county, MOR, and top 40.

Good listening.

Yours truly,
