The Simulation Station
"THE MILLION-DOLLAR STATION"

July 17. 1968

Mr. John Sampson
20088 Las Ondas Ct.
Cupertino, Calif.
95014

Mr. Sampson:

Thank you for your interest in the station. I, myself, was not with this station at that time; however, having checked back through the logs, I am able to verify your reception of KBVM on Oct. 8, 1966, at the hour of 5:15 am.

Thanks once again for your interest.

Sincerely,

Michael W. Carmichael
Program Director
