Dear Mr. Sampson:

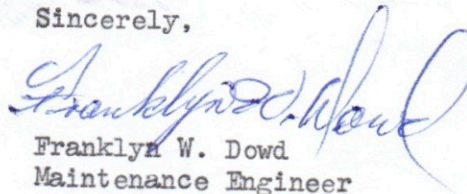

This will serve as verification of your reception of KMPG on July 27, 1968, from 2:49 PM to 3:20 PM PDT.

Also, at long last, this will verify your reception of KMPG on Nov. 18, 1967 from 2:21 PM to 2:36 PM PST.

I hope you will accept my sincere apology for the long delay in replying to your reports. I just found your letters this past week-end in a part of the Engineering file which I do not normally use. Since I go to Hollister from Salinas each week to maintain the studio and transmitter equipment, I am interested in the coverage we have.

Thanks for the reports and good luck in North Carolina.

Sincerely,

Franklyn W. Dowd
Maintenance Engineer
