Dear John:

Thank you for a response to our measurement the early morning of January 30th.

We had just installed some \$2,000 worth of new tubes on this 3 tower directional. You might be interested to know that response came from San Jose and San Francisco, however, none from the states in between.

Again, our sincere appreciation for taking time to write us.

Sincerely,

A handwritten signature in blue ink that reads "Jim Ballas".

Manager
