

11/9/66

John Sampson  
20088 Las Ondas Ct. .  
Berkeley, Calif. 94705

Dear John:

This letter will verify your reception of our signal on 11/5/66.  
We transmit with a power of 1000watts days and 250 watts nights.  
Our antenna is 5/8 s of a wave length long and is located near  
the East Shore Freeway at Ashby Ave..

Yours truly,

Roy Trumbull  
chief engineer
