Dear Mr. Sampson:

This is to verify that you were receiving KSMA on 1240 kc from 10:20 p.m. to 10:51 p.m. Pacific Daylight time, Monday, August 1, 1966.

Checking on the map I see that you are located just south of San Francisco. It's interesting to see how far our signal goes, as we reduce power to 250 watts at night.

Very truly yours,
