Mr. John Sampson

20088 Las Ondas Cort

Cupertino, California.

Dear John:

This is to acknowledge your reception of our signal on August 27, 1966.

I imagine our signal is a bit difficult to copy through KXRX.

If you come up this way, stop in and see us. Our studios are located at  
21 Washington Street.

Thanks for the report,

Sincerely,

*Ken Phillips*
