January 26, 1967

Mr. John Sampson  
20088 Las Ondes Ct.  
Cupertino, Calif. 95014

Dear John:

We were most pleased to get your reception report of January 23, 1967. It is accurate in every detail, and we find it interesting that our 1 kw station on 1500 kc can be heard consistently when KBLA and KSTP are silent in the bay area.

Very truly yours,

KUMU RADIO

John H. Weiser, Jr.
