Dear Mr. Sampson:

I'm sorry your letter of January, 1968 was not answered.

Maple Leaf Interprises is quite a large organization, including Potato Harvesting, Packing, Shipping and Marketing; Cotton Ginning and Marketing; Hay Marketing; Tractor Sales and Service; Petroleum Sales; Two-Way Radio Sales and Service and Maple Leaf Broadcasting. All mail is received at the general office, sorted and delivered (hopefully) to the designated branch. I'm afraid your previous letter never reached the radio station.

As requested - this will verify your reception of KWSO as transmitted on January 10, 1968.

Once again, our apologies for the delay.

Very truly yours,

L. Bridges
Traffic Manager/Secretary
