

K B G O *Radio*

DIAL 1580

PLAZA 6-1896 • BROADCAST HOUSE • 200 LIBERTY BLDG. • WACO, TEXAS

Dear Sir:

This is to confirm your reception of Radio Station K B G O,
IN Waco, Texas, on December 2, 1963.

We have a Four tower directional array, with different
patterns for Day and Night operation. We operate with
a power of 1,000 watts on the day-time pattern and 500
watts on the night-time pattern, on a frequency of 1580 kc.

May we express our appreciation for your informative letter.

Sincerely,

KBGO Radio

Roger Thomas
