Dear Mr. Sampson:

This will acknowledge your letter regarding the special DX TEST Broadcast on Sunday morning, February 14, 1965, from 2:00 AM to 2:30 AM CST. Radio Station K-N-I-A, in Knoxville, Iowa, operates on 1320 Kilocycles with a power of 500 watts directional, daytime only.

Please accept this as a verification of your reception of this KNIA Test Broadcast.

We received approximately 50 pieces of mail in regards to this special program from all over the United States and Canada. It was a pleasure for us to receive the many interesting reports from the members of the NATIONAL RADIO CLUB.

Sincerely,

James D. Stevens
