Reception Conditions: Very slight interference from KFBR in Sacramento,
Calif - but you were very easy to hear.

I used a Hammarlund HO-129-X receiver with 4½ foot loop antenna.

I would greatly appreciate a verification of reception from
KWLA (on your letterhead stationary, if possible.) I would also ap-
preciate information concerning your signal pattern. Re-
turn postage is enclosed for your convenience in replying.

Thanking you very much, I remain,

Yours truly,
