Freehold- N.J. -07728

Dear Sir.

We thank You for Your reception report of our medium wave station LR3 Radio Belgrano on 950 Kc/s. The report is correct - except one detail. Starting our transmission at 6 o clock in the morning - the music we are playing is not the Argentine National Anthem, but the march General Belgrano. We inclose with this verification a streamer of Radio Belgrano.

Your very faithfully

*Maximo Koelble*  
Maximo Koelble

Technical Director LR3 Radio Belgrano.
