Dear Mr. Sampson,

Thank you so much for your interesting reception report on Radio Petőfi, our home station. I would be happy to send you a QSL card, and a copy of the Budapest Antenna, our quarterly newspaper, which contains our complete English language program schedule. I hope that you find it interesting, and will become a regular listener to Radio Budapest.

By the way, were you able to listen to Calling Radio Amateurs on Tuesday March 24th, when we greeted you over the air?

Sincerely yours,
Anna Darvas
