Dear Sir:

We are very pleased with your report of October 3, 1963.

During these months we have received more reports than on other years.

We operate on 600 KC with 1000 Watts, directional antenna, day and night, due East to protect the Dominican Republic and Cuba.

We appreciate your valuable report very much. Your copy is excellent.

Thanks very much for your report.

Yours sincerely,

W A E L, INC.
