DOTHAN, ALABAMA

1000 WATTS FULL TIME

November 4, 1963

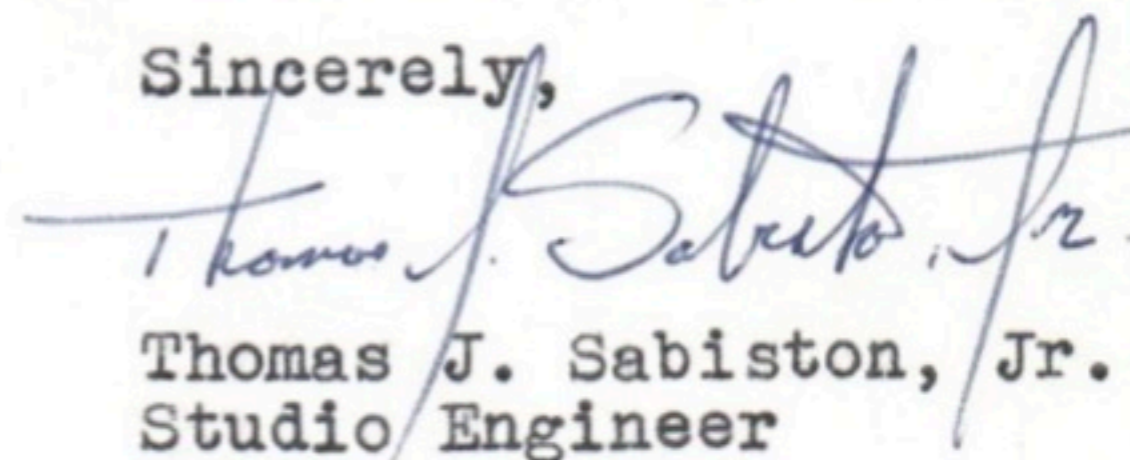

Dear John,

Thank you very much for your reception report of our special broadcast on October 20, 1963. We are very happy to have had the opportunity to take part in helping members of the National Radio Club to broaden their collection of stations received.

This letter is to confirm your reception of this radio station on October 20, 1963 between the hours of 1:00am and 1:19am CST. We were on the air until 1:30am and are sorry that interference kept you from staying with us until sign off.

We are planning another special broadcast in January of the coming year. We will sign on at 12:00 Midnight local time and stay on throughout the entire morning. We sincerely hope that you will be able to join us for part of that broadcast. The exact date has not been set, but when it is we will notify the Club so they can pass it along to the members. Thanks again for your fine report.

Sincerely,

Thomas J. Sabiston, Jr.  
Studio Engineer
