Mr John Sampson
23 Terrence Terrace
Freehold - New Jersey

Dear Mr Sampson:

Thank you for the report of August 19th.
We have been on the air since the 8th & operate
with a two tower directional pattern to the southeast,
operation has been held up nearly three yrs from date
of installation. Normally you shouldn't receive
our signal, but it was nice to hear from you.

73 --

Robert Perkins Thayer,
Supervising Engineer
